**Introduction**

This guide will help you get started with Turnitin. To get, username and password please click the link https://docs.google.com/a/ciitlahore.edu.pk/forms/d/13kbpgMpvgMBNiCtqJzLncasq7vMIP_s3dRW0vdiGxI/viewform below and you will get your TURNITIN login and password within 24 working hours.

When you have received an e-mail from Turnitin Administrator with a temporary password, a user profile has already been created for you. To get started, log in to Turnitin with your e-mail and password and proceed further as per following steps.

**Step 1**

When you get username and password then go to [www.turnitin.com](http://www.turnitin.com) and click on the login button on extreme left of the homepage. Fig. 1

![Fig 1: Log in to use TURNITIN](image)

**Step 2**

On your homepage, click the add class button as in Fig. 2.

![Fig 2: Adds a new class to your account](image)

On the class creation page, enter a class type (must be standard class), class name (Any) add subject, student level and an enrollment password. Click on submit. Fig. 3

![Fig 3: Add class](image)
The class will now appear in your class list under your account. Click on the **name** of your class to open your class homepage. *Fig. 4*

**Step 3**

Within your class homepage click on the **Add Assignment** button to create an assignment. *Fig. 5*

**Step 4**

To create an assignment, enter an **assignment title** and choose the start and **due dates** for the assignment and then click “**Optional Settings**”. *Fig. 6*
Please set your setting as follows. *(It will help you to not submit your material in any repository)* (Fig 7)

If you are not submit the paper in repository you can choose the option is “No Repository and uncheck student paper repository
