🌟 New Library Website

Library new website has a fresh and modern appearance with a simplified interface and an uncluttered layout. Every page on the website includes an intuitive navigation menu. The homepage features a powerful “Quick Catalogue Search” box, a dedicated news area for promoting new Library resources, and a slick Flash animation to showcase highlights of the website.

All types of forms are located in downloads menu on home page. A website feedback form is also located in the bottom right hand corner of home page. The Library encourages students, faculty and staff to tell us what they think of the new website. Following are some glimpses of the site:

- Library resources and services
- Tools for researchers
- Library rules and regulations
- All type of library forms
- Library guides and tutorials
- Electronic / Digital resources
- Bulletins
- Important links
- Vast communications mediums through social networking sites
- and many more
